PERIODICALS

Of this Catalogue Part 2 (Periodicals), Part 3 (Music), Part 4 (Engravings), will be issued monthly hereafter, instead of weekly. Part 1 (Books), will be issued every week as heretofore.
The weekly issue of the Numbers of Parts 2, 3, and 4 necessitated search through several short alphabets in order to locate any given title. To avoid this inconvenience, it has been suggested that they be published monthly, so that a search through a year of the Catalogue will require the examination of only 12 indexes, instead of 52 as formerly.
The last weekly issue of Part 2 (Periodicals) was on October 25, 1906. The first monthly issue is under date of November 15, 1906.

Arranged alphabetically by titles.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title, if printed in full, would read: "Copyright by New England railway publishing company, Boston, Mass. Class B, XXc, no. 106147, Dec. 6, 1905; 2 copies received Oct. 1, 1906."

PERIODICALS

Arranged alphabetically by titles.

Of this Catalogue Part 2 (Periodicals), Part 3 (Music), Part 4 (Engravings), will be issued monthly hereafter, instead of weekly. Part 1 (Books), will be issued every week as heretofore.

The weekly issue of the Numbers of Parts 2, 3, and 4 necessitated search through several short alphabets in order to locate any given title. To avoid this inconvenience, it has been suggested that they be published monthly, so that a search through a year of the Catalogue will require the examination of only 12 indexes, instead of 52 as formerly.

The last weekly issue of Part 2 (Periodicals) was on October 25, 1906. The first monthly issue is under date of November 15, 1906.

To save space the copyright notice after each title is abbreviated. Thus the notice after the first title if printed in full, would read: "Copyright by New England railway publishing company, Boston Mass. Class B. XXc. no. 106152. Nov. 5, 1905; 2 copies received Nov. 5, 1906."
